DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Applicant's response filed 06/19/06 in reply to the Office action of 03/13/06 has been entered. Claims 1, 7, 26, and 32 are amended. New claims 34-39 are added.

Election/Restrictions

Newly submitted claims 37-39 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the invention of claims 37-39 encompasses wide hybridization breeding methods between different species of the same genera (i.e. intragenetic crosses), between different genera (i.e. intergeneric) and even very high order wide crosses. The coexamination of all the claims in this application will present search burden upon the office.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 37-39 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Claims 1-39 are pending.

Claims 37-39 are withdrawn from consideration.

Claims 1-36 are examined.

All previous objections and rejections not set forth below have withdrawn in view of Applicant's amendment to the claims.

Conclusion

Claims 1-36 are allowed.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
